MODELS™

**Furniture-Style Base with Wallhugger Technology** – This beautiful piece of furniture with solid wooden legs keeps your nightstand within reach.

**Pillow, Head, and Foot Articulation** – Full-range adjustment provides ultimate comfort and supports up to 850 lbs. total weight capacity.

**LP Connect® Technology** – Advanced integrated technology connects your bed to you and your bedroom. Download the free app and control room lighting, airflow, sound, and more for the ultimate bedroom experience.

**LP Sense® Technology** – This supplemental safety system protects humans and pets from potential pinch points.

**Back-Lit Wireless Bluetooth Remote** – Program your favorite positions or recall the room scenes you set through the app.

**Integrated Under-Bed Lighting** – This is no ordinary lighting; program it with a room scene to set the mood or tie it to your alarm and a gentle massage to help you wake up in the morning.

**AC/USB ports** – Easily recharge devices with ports conveniently located on each side of the base.

**Full-Body Dual Massage with Wave and Pulse** – Rejuvenate after a long day with a relaxing head-to-toe massage that soothes your cares away.

**Multiple Custom Base Positions** – Program 2 of your favorite positions on the remote and 4 through the app for immediate personalized comfort.

**Sleep and Nap-Timer Functions** – Advanced features stand alone or can be integrated with other bedroom devices.

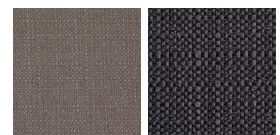

**Flat Button** – Easily return the base to flat with the touch of a button, or program with press-and-hold for safety.

**Power-Down** – In the event power is lost, a battery backup returns the base to flat.

**Sync Cable** – Included with split sizes, the sync cable allows bases to raise and lower simultaneously.

Available in the following sizes: Twin XL, Full XL, Queen, Split King, and Split California King.
